**COST OF SERVICES**

The Bureau shall charge the Bureau of Occupational Licenses Fund (Fund #427) for all direct expenses, commonly referred to as “direct costs.” Direct costs are those expenses incurred by the Board or the Bureau relating to carrying out the duties of the Board and that can be directly attributable to an individual Board.

The Bureau shall also charge Fund #427 a pro-rata share of the Bureau's indirect expenses, commonly referred to as "indirect costs." Indirect costs are those expenses regularly incurred in the operation of the Bureau that cannot be directly attributable to any individual Board and, therefore, cannot be included in the direct expenses charged to the Board. Indirect cost percentages are calculated for administrative services, legal services, investigative services, and fiscal Services.

The indirect administrative and legal percentages are based on an average of the total direct expenses for the previous four (4) fiscal years. The indirect investigative percentage is based on an average of actual direct investigative hours charged to the board for the previous five (5) fiscal years. The indirect fiscal percentage is based on the total number of individual records maintained plus the total number of financial transactions processed during the previous fiscal year.

The approximate percentage shares of indirect expenses to be charged to the Board are:

	FY2017	FY2018
Administrative	<b>0.97%</b>	<b>0.53%</b>
Legal	<b>1.09%</b>	<b>0.92%</b>
Investigative	<b>1.44%</b>	<b>0.89%</b>
Fiscal	<b>0.11%</b>	<b>0.13%</b>

The total fiscal year Board budget is calculated by combining the Board's direct expenses and the Board's indirect expenses. The Board’s estimated **Total Board Budget for fiscal year 2018 is \$23,000.**
